Re: Additional Information Requirements (Applications for Permit 96-9820 & 96-9821)

Dear Applicant:

Idaho Department of Water Resources (IDWR) received two Applications for Permit from you on August 17, 2020 to use water from the Pend Oreille River for irrigation purposes on adjacent Bonner County parcels RP020010000170A and RP020010000180A. The Applications are being processed and have been assigned Identification Numbers 96-9820 and 96-9821.

The Applications use two different mailing addresses (627 E Francis AVE, Spokane, WA 99208 and 448 Rockview DR, Priest River, ID 83856). Please contact IDWR about which address is correct for future correspondence on both 96-9820 and 96-9821.

IDWR is contacting you about corrections to the Point of Diversion (POD) ownership and pump locations shown on Line 11 for both of your Applications. **Please review the enclosed copies of your Application maps which show the PODs located at the ends of docks outside your property tax parcel boundaries. These locations appear to be on Idaho Department of Lands (IDOL) property instead of the 'Applicant' owned property indicated on Line 11.**

Please contact me at shaun.maxey@idwr.idaho.gov about your correct mailing address and to provide the IDOL Encroachment Permit numbers for your water lines or pumps at the POD locations shown on your Application maps.

Please contact me at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey
Sr. Water Resource Agent
