Scott,

Angie reviewed the files prior to sending out the amendments, so I doubt there will be much additional review to sign them. She is out today, and her schedule is pretty booked next week. She likes to make a push to get licenses signed by the end of the month, so that is in their favor. Unfortunately, I just don't know what she has on her plate for the next couple of weeks. I would say if they haven't received the licenses by September 8th, to give me a call and I will see where they are in the queue at that time.

Dan,
That's good news, thank you.
Weston has asked about how long for approvals to be issued. I understand this is Angie's task, but wonder if there is an approximate time frame? Maybe next week?

Hi Scott,

I just called our Western Region, and I found the change in address. They are sending it over to me. I will put the file on Angie's desk today.

Hello Scott,

I am still waiting for the address change to come in. I called our Western Region office Wednesday, and they hadn't received it either. I will call Western after 8:00 this morning. I don't know if it got lost in the mail, or if it got returned because there was no water right number on it. I did notice in the email that Mr. Arnell sent to me, that he used the name Gardner Company instead of Gardner Mace Ranch LC. If someone received that and searched to change the

contact address, and couldn't find a Garner Company in our contact list, they may have sent it back for a change of ownership.

I will check to see if anyone has seen the letter again today, and I will let you know first thing this morning. You may want to have him re-send the letter and make sure it has ATTN: Dan Nelson on it. I have the licenses ready to sign and sitting on my desk until I received the change of address form.

Hello Dan,

Weston asked me to check on the status of licensing 63-33864 and 63-34330, Gardner Mace Ranch.

Did you receive the licensing amendment?

Thanks,
Scott

Dear Mr. Arnell and Mr. King;

Unfortunately, we cannot accept a change in address based on an email. Our office cannot confirm that the permit holder actually sent the email. Therefore, we will need you to either complete the attached change of address form, or send us a signed letter showing that the address has changed. We need an original signature of the owner of the permit or their representative to formerly change the address.

Dan – I just spoke with Weston and he's mailing in the amendment with fee today attention to you.

Weston – Dan noticed some inconsistencies with your address that I did not catch. Can you reply to Dan with the correct address? Dan, let us know if a change of address form is required.

Thank you both,
Scott

Scott,

Thank you for passing that along. I used the address on the proof of beneficial use statement.

Gardner Mace Ranch LC
101 S Capitol Blvd Ste 1700
Boise Idaho 83702-7718

The only difference between the proof statement and the permit is the suite is 1201 on the permit and 1700 on the proof of beneficial use notice.

Hello Dan

I sent them your email to me, so they have it and should be sending it in.
Which address was used?

Did you use the address on my BUFE report? This should be the current address.

There was supposed to be an address change form sent in to change from 101 S Capitol to 800 W Main (on the BUFE report).

Thanks,

Scott

Hi Scott,

I just had the letter returned for the amendment I sent out for this permit. I double checked the address and it was correct. I don't know what happened. I am hoping you can get it to the proper folks.

Hello Scott,

Here is the amendment of permit for 63-33864. I have sent the amendment out to the permit holder this morning. If you have any questions, please don't hesitate to contact me. Since this is the same system as 63-34330, we are going to hold off licensing 63-34330 until we receive the amendment back.

Thank you.

Dan
