RE. Water Right Change of Ownership No. 35-7022

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below.

****** Evidence of Water Right Ownership:** A full chain of title back to the current owner of the water right according to the departments records. The current owner of the water right is Corps of the Presiding Bishop Church of Jesus Christ of Latter Day Saints, the deed we received is a Water Deed from Agreserves Inc to Dianne Poulson and Scott Poulson; however the water right is in the name of Corps of the Presiding Bishop Church of Jesus Christ of Latter Day Saints. In order for the department to complete the ownership change a full chain of title is required.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
