### PROOF DEFICIENCY LETTER

**RE: Permit No. 87-11342**

Dear Permit Holders:

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof is not acceptable without the correct fee. A copy of the form is enclosed for your reference.

This permit authorizes a diversion rate of 0.02cfs (cubic feet per second) of surface water. The proof form was not accompanied by the required \$50.00 fee. The Department cannot process the proof without the fee.

Please submit the required fees at your earliest convenience before the proof due date of **October 01, 2024** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd  
Technical Records Specialist
