Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership/Notice of Security Interest (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

*******Evidence of Water Right Ownership/Security Interest:** The department did not receive evidence of security interest, with applications received on August 19, 2020. Please provide a copy of the recorded Deed of Trust, Mortgage or other legal document indicating your interest in the above mentioned water rights. Also the deed provided shows the water rights and property will be going into the Michael G Standlee and Whendy L Standlee Living Trust, but the application indicated it should be going to into the Standlee Family Limited Partnership. Please verify which is correct, if it should be going into the Standlee Limited Partnership additional evidence of ownership is required, specifically a deed a from Michael G Standlee and Whendy L Standlee Living Trust to Standlee Limited Partnership.

Because the Department cannot process the Notice without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary documentation/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit/water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.
