RE: Change in Ownership Water Right No. 29-14222, 29-13807, 29-13690

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Split Fee:** The department has all the necessary information to complete the ownership change for 29-14222 and 29-14390. According to the information filed with your application, you did not purchase the entire place of use of water right number 34-14807. Because a division of the water right would be required an additional fee is also required. Please review the map attached. If you believe a split is required please submit the additional filing fee of \$75.00. If you do not believe a split is required please supply additional documentation indicating your ownership in the entire place of use of the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
