RE: Permit No. 75-14964

Dear Angela Grimm or Jean Hersley

We have enclosed our statement of completion along with pictures of our system. Due to the Covid-19 we thought the pictures would be helpful not knowing if someone would be able to come do an onsite inspection. The system consists of: 1 ½ horse Flotec lawn sprinkler pump model FP 5172, 1 ½" pick up in the lake at dock, with pick up screen, 4-¾" sprinkler valves, valve stations have 5 to 7 sprinklers on each station. Each station runs 15 minutes per day. We are planning on being at this address till Labor Day. If you need more information or have questions, please contact us at (208) 756-2988 or (619) 548-5556. Look forward to hearing from you. Thank you in advance.

Sincerely,

The block contains two handwritten signatures in blue ink. The first signature is "Stanley W. Poteet" and the second is "Donna J. Poteet".
