PROOF DEFICIENCY LETTER

RE: Permit No. 75-14955

Dear Permit Holders:

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof is not acceptable without the correct fee. Your permit authorizes 0.04 cfs of surface water, which requires a \$50.00 license examination fee. The Department cannot process the proof without the fee.

During review of your proof statement and the permit listed above, I noticed that you stated a beneficial use other than allowed under this permit. You stated on your proof that your irrigated acres is 2.0, however, this permit authorizes a domestic beneficial use up to ½ acre. Diversion of water under this permit is limited to the authorized amount. I have enclosed a copy of your proof statement and this permit for your reference. You may apply for another permit to cover additional water use if needed. Application for Permit forms are available from any Department office or at the Department's website at www.idwr.idaho.gov.

Please submit the required fees at your earliest convenience before the proof due date of **October 01, 2020** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd
Technical Records Specialist
