Re: Applications For a Temporary Approval of a Water Appropriation

Dear MARY:

The Department of Water Resources is seeking comment and/or recommendation from your agency, regarding three applications to temporarily appropriate 14.0 acre-feet of water from various sources within Shoshone County, by Azteca Gold US for exploration drilling. Copies of the applications are attached for your reference. Essentially two of the applications are renewals from ones approved last year.

Would you please submit your comments no later than March 24, 2008? If we do not hear from you by that date, we will assume that no comment from you, means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 762-2819 or by e-mail to [keith.franklin@idwr.idaho.gov](mailto:keith.franklin@idwr.idaho.gov).

If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,
