Yes, they wish to withdraw the permit. I will start the ball rolling and get a withdrawal notice prepared for the Superintendent's signature unless you advise otherwise.

Lori,

Since Transfer # 84115 has been approved, I assume the Blaine County School District will be withdrawing Application for Permit, 37-23098. We had issued an order granting a delay in processing the application until early August of this year.

Corey,

Per your review, this email serves as a correction for an error listed in the place of use legal description on page 3 of the Middle School transfer application for Blaine County School District. The 5 acres listed in the SWSW, S4, T2N, R18E should be listed in the SWSE, S4, T2N, R18E as correctly shown on the map included as transfer attachment 7B. Thanks Corey.
