Re: Permit No. 65-23703 – 2020 Q2 Reporting Requirement

Dear Mr. Dobson:

Consistent with the *Agreement in Resolution of Protest* executed between you and the Bogus Basin Recreational Association, Inc. ("Bogus Basin") in resolution of your protest to Application for Permit No. 65-23703, and Condition of Approval No. 7 as to Permit No. 65-23703, Bogus Basin is required to report to you, on a quarterly basis and for the first five years that storage occurs under this right, with copies to the Idaho Department of Water Resources: (1) the monthly volume of water diverted from the pond; and (2) the starting and ending pond elevation for the same period.

For Quarter 1 of 2020, the below table demonstrates compliance with the reporting requirement:

	Apr. 2020	May 2020	June 2020
Volume of Water Diverted from Pond (AF)	0	0	0
Starting Pond Elevation for Month	5962	5970	5970
Ending Pond Elevation for Month	5970	5970	5970

The pond elevation is measured at 5974' top elevation and 5930' bottom elevation.

Sincerely,

Chris M. Bromley
