Re: Application For a Temporary Approval of a Water Appropriation

Dear MARY:

The Department of Water Resources is seeking comment and/or recommendation from your agency, regarding an application to temporarily appropriate 4.0 acre-feet of water out of Lake Coeur d' Alene, by the Worley Highway District for road construction water. The Highway District is proposing to divert water from 8 separate sites, most of which are where road rights-of-way meet the lake. If a boat ramps is planned to be used, the Highway District was directed to meet with Fish & Game to gain permission and conditions of usage. A copy of the application is attached for your reference.

Would you please submit your comments no later than August 16, 2006? If we do not hear from you by that date, we will assume that no comment from you, means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 769-1454 or by e-mail to [keith.franklin@idwr.idaho.gov](mailto:keith.franklin@idwr.idaho.gov).

If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
