Watermaster Comments received? _____ Date _____

ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that the department has examined this application for temporary approval to use water under the provisions of Section 42-202a, Idaho Code, and has determined that:

- ☐ a) The application for temporary approval should be denied.
- ☒ b) The application for temporary approval should be approved, since
1. The temporary approval can be properly administered.
 2. Other water sources are not readily available.
 3. The approval is in the public interest.
 4. The approval will not injure known public values associated with the water source or any known water rights.

This application is therefore hereby:

- ☐ a) DENIED
- ☒ b) APPROVED, subject to the following conditions:
1. Diversion and use of water under this approval is subject to all valid existing water rights.
 2. The applicant assumes all risk the use of the water under this approval may injure other water rights.
 3. This approval authorizes a maximum diversion of 5 AF and a maximum rate of diversion of 1.0 cfs.
 4. This approval does not grant a right-of-way across the land of another, does not create a continuing right to use the water and may not be used in connection with a use which requires a continuing water supply.
 5. The department may cancel this approval at any time if the department identifies injury to other water rights.
 6. This approval expires on 10/31/07.
 7. This approval does not create a continuing right to use water.
 8. The holder of this temporary permit shall not divert at a rate or in a manner that will significantly reduce the flow in the water source or otherwise adversely affect fish, wildlife or other public values.
 9. Other: Water intakes should be screened to prevent entrainment or impingement of fish or other aquatic life. The maximum screen mesh size should be 0.25 inches; approach velocities should not exceed 0.5 ft/second.
 10. Contact the DEPARTMENT OF WATER RESOURCES prior to diversion of water from streams.

DATED this 3 day of July, 2007.

Re: Application For a Temporary Approval of a Water Appropriation

Dear Mr. Hennekey:

The Department of Water Resources is seeking comment and/or recommendation from your agency, regarding three applications to temporarily appropriate 5 acre-feet of water out of the Palouse River, 5 acre-feet from the South Fork of the Palouse River and 5 acre-feet from the Spring Valley Reservoir, by the North Latah County Highway District for dust control and construction water. Copies of the applications are attached for your reference.

Would you please submit your comments no later than July 2, 2007? If we do not hear from you by that date, we will assume that no comment from you, means you have no objection to, concerns about, or conditions pertaining to the issuance of these permits.

You may send comments by regular mail to the address above, by FAX to 762-2819 or by e-mail to keith.franklin@idwr.idaho.gov.

If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent

Re: Three Applications for Temporary Approval of Water Appropriation

Dear Mr. Carscallen:

We are returning your applications for Temporary Approval of Water Appropriation because there were no funds included with the applications. There is a \$50.00 fee for each of the three applications, for a total of \$150.00.

We have included with each of the applications, the required second page.

Please re-submit the applications together with your check or money order in the amount of \$150.00, \$50.00 for each application.

When we receive the applications back in our office, together with the funds, we will begin processing your applications.

Sincerely,

Dianne Ball
Administrative Assistant
