### REQUEST FOR EXTENSION OF TIME LETTER

**RE: Permit No. 96-9310**

Dear Permit Holder(s):

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **September 21, 2020**.

The department has granted this extension based on the actual time development of this permit was delayed by a government agency, according to Section 42-204(1), Idaho Code. The documented delay caused by Southside Sewer & Water District occurred from May 25, 2007 to October 15, 2010, extending the proof due date an equal number of days.

This approved extension also reinstates the permit and advances the priority date since the request and the filing fee was submitted after the permit proof due date. The priority date of this permit is advanced to **October 26, 2006**, according to Section 42-218a(1), Idaho Code.

It is important that you work diligently toward the completion of the project during the period allowed because the Department will not grant an additional extension based on government delay, according to Section 42-204(6), Idaho Code.

The extension is a PRELIMINARY ORDER issued by the Department pursuant to Rule 730 of the Department's Rules of Procedure (IDAPA 37.01.01). It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

**Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at [www.idwr.idaho.gov](http://www.idwr.idaho.gov).**

The filing fee for a Request for Extension of Time is \$50. The Department received \$100 with your request. A refund of \$50 has been requested and will be sent to you under separate cover from the Idaho State Controller's Office.

If you have any questions concerning this permit, please contact the State Office of the Department located in Boise at (208) 287-4800.

Sincerely,

  
for Darla Block
