Re: Withdrawal of Application for Permit No: 63-34757

Dear Parties:

The Department has received your recent withdrawal of the above referenced application. For your convenience a copy of the withdrawal and application are enclosed.

This action classifies the application as null, void, and of no further consideration by the department. Further, the withdrawal of the application resolves the contested case created by protests to the application and no further action regarding the contested case will be considered by the department.

In addition, the status conference scheduled for Tuesday, August 18, 2020 is now canceled. I am forwarding a copy of this letter to the Protestants to inform them of the cancellation.

Please feel free to contact our office at 208-334-2190 if you have additional questions in this matter. Also, more information about water rights and other matters administered by this agency is available on the Internet at www.idwr.idaho.gov.

Sincerely,
