Subject: Beyeler transfer 83870

WD170 does not object to this transfer.

Additional information:

WD Flag = 74W. The rights will still be administered by watermasters of both 74W and 74.

Two existing Canyon Creek diversions will be dropped and replaced by a single Canyon Creek diversion in a new location. Local name for the new diversion is LCC2.

Lemhi River POD is to be maintained on the right. Local diversion name L62A.

If there are questions regarding this system please contact me or Amy Cassel at Salmon Field Office.
