Subject: Prehearing Conference for Jeff Dancer Application for Permit 63-34682

Dear Parties,

The Department has received conditional withdrawals of protest in this matter from Riverside Irrigation District and the City of Boise. Since it appears the protests have been resolved, I do not see a need to hold the prehearing conference currently scheduled for this coming Monday, July 15.

Through this email, I am cancelling that prehearing conference. I do not plan to mail a separate notice of the cancellation.

I am reviewing the settlements and I expect to continue processing the application. If approved, I will circulate a draft approval document to the parties within the next week or so.

Let me know if you have any questions regarding this matter.
