REQUEST FOR EXTENSION OF TIME DEFICIENCY LETTER

RE: Permit No. 92-10055

Dear Permit Holders:

The Department received the Request for Extension of Time ("extension") form you submitted for the above referenced permit. The extension stated that "property litigation until Sept.-Oct. 2018 could not change property".

This permit has exhausted available extensions based on good cause according to Idaho Code § 42-204(3)(f). In order for the Department to grant an extension of time based on litigation that might bring title to water into question the permit holder must provide evidence for the delay in development of the permit. Please provide supporting documentation to show the dates the delay occurred.

Please the information requested within 14 days as this permit lapsed on **July 01, 2020**. If you have any questions concerning this matter, please contact me at (208) 287-4920.

Sincerely,
