PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 85-15729

Dear Permit Holder:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

MEMORANDUM

TO: Water Right Permit File 85-15729

FROM: Daniel A. Nelson

DATE: July 27, 2020

SUBJECT: In-house Review Attempt

I reviewed this permit for the possibility of an in-house review. I determined that there has not been a home, and no evidence of stockwater on this property. The owner stated they had 6 head of livestock here, and the possibility of 1 acre of irrigation, which isn't authorized. I feel a field exam is warranted on this permit to ensure that it is licensed accurately.
