Water Right No(s). 29-11732

Dear Applicant(s):

You previously received a notice that your application would be published on 7/9/2020 and 7/16/2020 in the Idaho State Journal. Unfortunately, due to an error with the newspaper, the application was not published as requested. The application will now be published on 7/29/2020 and 8/05/2020. Protests to the application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Christina Henman
