**RE: Permit No. 63-33409**

Dear Permit Holder:

The Department of Water Resources ("Department") received your Request for Extension of Time ("extension request") on July 15, 2020 regarding the above referenced permit.

Department policy is to return to the permit holder extension requests, which are filed more than six (6) months prior to the Proof of Beneficial Use due date, as they are considered premature. Since the proof due date on this permit is February 1, 2021, the Department is returning your extension request as unprocessed.

A refund of \$50 has been requested and will be sent to you under separate cover from the Idaho State Controller's Office within 10 days.

The Department will send you a "Proof Due Notice" approximately 60 days prior to February 1, 2021 requesting you to file either a Proof of Beneficial Use form or a Request for Extension of Time form.

Please contact me at (208) 287-4920 if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Debbi Judd".
