Chris:

You left a phone message here the other day regarding your temporary application for Mores Creek. Sorry for the delayed reply – we are pretty short-handed at this time.

We have been waiting for the water supply outlook to settle down. Today I learned it looks ok for the Boise system. We will begin approving these applications soon and sending them to people. This will be done in the order in which they were filed. It will probably be a few weeks for yours.

Thank you for your patience.
