1. Matter being protested No. 65-23936
2. Name of protestant John S. Rais
3. Protestant's Representative for service (If different than protestant)

4. Service mailing address 149 Anderson Cr. Rd., Garden Valley, Id. 83622
5. Service telephone no. 208-462-3797 Email Address: jrais@frontiernet.net
6. Basis of protest (including statement of facts and law upon which the protest is based)

There's not nearly enough water in the creek in the fall. Two canal easily take what's there. Pumping what little water there is into a sandy soil shallow pond is a waste of water. No problem early in summer/spring but a waste after July. Draining the creek dry will lower our property value. The stock can drink from the creek. Our water right is 100 years senior to this!
(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Lining the pond with pond liner, or Betonite, or clay might help. I not pumping after mid July or Aug 1.

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 16 day of July, 20 20.
