Re: Application for Permit to Appropriate the Public Waters of the State of Idaho.

Permit 91-7108

The Idaho Department of Water Resources (IDWR) needs to have a Field Examination of Beneficial use on water permit 91-7108. It appears that you may have bought the property from the permit holder Kevin Thomas. Please contact me to set a date and time to conduct your Field Examination if the water system is in use.

Please call me at 208-762-2800 or email me at adam.frederick@idwr.idaho.gov to set up a date and time.

Sincerely,

Adam Frederick
Senior Water Resource Agent
