Dear Water Right Holder and other Interested Persons:

The Department of Water Resources has issued the enclosed approved Transfer of Water Right(s). Please be sure to thoroughly review the conditions of approval and remarks listed on the approval document.

The Transfer of Water Right(s) is a PRELIMINARY ORDER issued by the Department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action by the Department unless the APPLICANT petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

ANY PERSON aggrieved by any decision, determination, order or action of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Department and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

Detailed specifications are available on the Department's home page on the Internet, or you can request a copy by contacting any office of the Department. Please be sure to thoroughly review the specifications to avoid unnecessary costs for reinstallation or modification due to non-conforming or improperly installed devices.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at (208) 736-3033.

Sincerely,

EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

Date: July 2, 2020
To: Transfer #83908, Eddie Baker Jr.; Baker Family Trust file
From: Jim Bitzenburg
Re: Evaluation of Sufficiency of Information Submitted

Application for transfer proposes to change one of the points of diversion (POD) for a group of four irrigation rights with a combined flow rate of 10.2 cfs from the existing POD located on the East Fork of the Salmon River. The existing POD is located approximately 9.4 miles south and 1.2 miles west of Clayton and the new POD will be located approximately 0.2 mile upstream on the East Fork of the Salmon River.

Because the transfer involves changing a POD on a stream, it was advertised and public comment was sought. It was also advertised statewide. There were no protests filed. The transfer is located within Water District 170 and Subdistrict 72D, so Watermaster comments were solicited from both Water Districts. No comment was received from WD-72D. The WD-170 Watermaster did provide comment, and it is included within the file.

- **Authority to File:**
The Department's database indicates that the water rights involved are owned by Eddie Baker Jr., and the Baker Family Trust. The application was signed by Eddie Baker Jr., and Lura Helaina Baker, trustees of the Baker Family Trust. Documentation of the trust was noted in a recent ownership change involving the rights.
- **Water Right Validity:**
The cropland covered by the rights appears to be fully irrigated within recent years, so forfeiture does not appear to be an issue.
- **Injury to Other Water Rights:**
None anticipated or foreseen. The POD will move less than ¼ mile upstream, and the only POD it will move upstream of is one the Baker's other East Fork PODs.
- **Enlargement of Use:**
None anticipated. This transfer is for a change of POD location only.
- **Local Public Interest:**
No issues anticipated. The application was advertised, and no protests were filed.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on the Economy of the Local Area:**
None Anticipated
- **Effect of the Agricultural Base of the Area:**
None Anticipated

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.

WD170 has no objections to this approval.

Conditions of approval in 72-16779 must be updated as part of transfer approval. The transfer application caught the error in the decreed conditions and correctly limited the transfer to 10.2 cfs at EF16... suggested text for corrections follows.

Existing: Right nos. 72-10302C, 72-10303, 72-10304 and 72-16779 are limited to a maximum combined diversion rate of 20.00 cfs at the East Fork-16 Diversion located in T09N, R17E, S11, NENESW.

Should be changed to: Right nos. 72-10302C, 72-10303, 72-10304 and 72-16779 are limited to a maximum combined diversion rate of 20.00 cfs at the **East Fork-17** Diversion located in T09N, R17E, S11, NENESW.

Existing: Right nos. 72-10302A, 72-10303, 72-10304 and 72-16779 are limited to a maximum combined diversion rate of 10.20 cfs at the East Fork-17 Diversion located in T09N, R17E, S11, SESENW.

Should be changed to: Right nos. 72-10302A, 72-10303, 72-10304 and 72-16779 are limited to a maximum combined diversion rate of 10.20 cfs at the **East Fork-16** Diversion located in T09N, R17E, S11, **NESW**.

Because old EF16 diversion will be abandoned and not retained on the rights, the EF16 diversion name will be moved to the new POD. This name will apply to the diversion and to the new screen. Water right for the screen is the responsibility of IDFG. There are some discrepancies with existing screen rights in this general location. I am working with IDFG to get these straightened out and a right identified or established for the new screen.

RE: Transfer No. 83908
Water Right No(s). 72-10302A, 72-10303, 72-10304, 72-16779

Dear Applicant(s):

The Department of Water Resources is currently processing your application for transfer, referenced above. You should have recently received a letter regarding the dates of legal publication in the necessary newspapers.

On June 1, the department received notification that there was an error made by the Challis Messenger and the publication would not be advertised on June 3 & 10, as originally scheduled. The publication will now advertise in the Challis Messenger on **June 10 & 17, 2020**, which will advance the protest deadline to **June 29, 2020**.

Please note, this error does not affect the publication scheduled to advertise in the Times News, Idaho Statesman, Post Register & Lewiston Tribune.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Thank you for your understanding. Please contact this office if you have any questions regarding the application.

Sincerely,

Denise Maline

Denise - I made a mistake. I missed inputting this ad in time for Challis Messenger. I archived it instead of processing the notice. I only noticed today when I input the item for the Post Register that Challis dates were included.

Is there any way this can publish the 10th and 17th? I will only charge for one date due to my error if you can accommodate my incompetence.
