RE: Authorization

Dear Mrs. Hersley:

On January 28, 2020, Central Rivers Power US, LLC purchased the equity interests in EGPNA REP Hydro Holdings, LLC ("REP") from subsidiaries of Enel North America, Inc. and GE. REP is, among other things, the parent company of two project companies, Lowline Rapids, LLC and Dietrich Drop, LLC. Per our conversation last week, you indicated that the Idaho Dept. of Water Resources recently received a request to update the address for these two entities from Matthew Stanley. This letter shall serve to Matthew Stanley, Vice President and General Manager of Central Rivers Power US, LLC is an officer of both project companies and is authorized to submit the update the address form.

If you have any questions about the transaction, please do not hesitate to contact me at the number below.

Very truly yours,

Randall Osteen

Subject: Address Change Request for Idaho water rights

The Idaho Dept. of Water Resources received a request to update the address for Dietrich Drop Hydro, LLC and Lowline Rapids, LLC. It appears the request was signed a M. Stanley, general manager. The Idaho Secretary of State business search does not list this name as an agent of the company or the registered agent. The Department will need documentation that authorizes M. Stanley to sign on behalf of these companies. Please let me know if you have any questions. Thank you.
