Dear Sir/Madam,

I have received your note to update your address. Your address has been updated in the billing system for Water District 120, however, IDWR requires a change of address form to be completed to update the address associated with your water rights.

If your address is not changed with IDWR it may override the water district change as the department maintains the system that creates our annual invoices.

Please feel free to contact me with any questions.

Kind regards,

Cher Ramos
Secretary, Water District 120
