Thank you for your attention to our claim. Elisa Lowe split her property with 2 sons. Ozzie and Cyril. Ozzie's property went our way and Cyril's property ended up with the Rallisons. I will find Cyril's deed when I go back to the court house. Rallisons did sell a piece to Dwight Lowe. They have also sold some of their property to 2 others. Sean Hokansen and John Jenkins. I was told that they wanted to do like a HOA with these property owners to share their water rights. I can send deeds if it is needed. Regarding Guy Arnell, I am surprised to think that he really thinks he deserves more than his deed gives him. He has not been watering much of anything since he bought it. I believe I have copies of all of their deeds also if you would like me to send them to you. Thanks Debbie.
