Dear Mr. Jones:

The Board of Directors of the Greenferry Water and Sewer District would appreciate it if the District can have 30 days in which to respond to your letter of May 29, 2020. For some reason, staff did not see the letter until this week.

We can have the information you requested to you by early next week, so we'd appreciate the extension. I can be reached at (208) 651-2192 or at austin.consultingcda@gmail.com

Thank you for your attention to this matter.

Sincerely,
