**City of Bloomington Approval Letter for Temporary Water Usage.**

Dear Mr. Cefalo,

Paris Hills Agricom Inc. has proposed to renew its TP-11-16 permit (temporary water appropriation for the City of Bloomington overflow). Any water used will be pumped into a water truck and transported to the Paris Hills Project property which lays adjacent to the Bloomington City overflow. PHA will comply with all applicable regulations while transporting water from the Bloomington City overflow to the PHA property.

The City of Bloomington approves of this proposed plan.

Sincerely,

  
Joe Dunford

Dear Sharla Cox,

Attached is a check for the application fees associated with the temporary water appropriation applications currently submitted to the Idaho Department of Water Resources. I was also wondering if it would be possible to get a receipt for the attached check? If you would be so kind to email me a scanned copy of a receipt it would be much appreciated, my contact information is listed below. Should you need anything else regarding these permits please feel free to contact me.
