It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
- 9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
- 10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
- 11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
- 12. The rights listed below are limited to the irrigation of a combined total of 9.4 acres in a single irrigation season. Combined Right Nos.: 37-22066, 37-22068, 37-22070.
- 13. The quantity of water under water right 37-22070 for stockwater use shall not exceed 13,000 gallons per day.
- 14. Dear Lesson:

Water rights 37-22066, 37-22068 & 37-22070 were leased into the Water Supply Bank (Bank) as of January 1, 2020, in accordance with the enclosed executed lease contract. Your water rights, as described on the lease contract, are considered leased into the Bank and should remain unused until they are formally released from the Bank. More information and further restrictions placed on your water rights while leased can be found in conditions of acceptance of the lease contract. Read the conditions of acceptance carefully.

On behalf of the Board, the Department of Water Resources (Department) can evaluate an early release of the lease contract upon your request. To release the water rights from the Bank prior to the release date, submit a written request on the Request to Release a Water Right from the Bank form. This form is available on our public website at www.idwr.idaho.gov. Please note your water rights may not be available for immediate release if they have been rented or are being considered for a future rental. Furthermore, it is at the discretion of the Department whether or not a water right can be released early from a lease contract.

If you have questions regarding this matter, please contact this office at bank@idwr.idaho.gov or 208-287-4800.
