EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

Date: June 29, 2020
To: Transfer #84041, Sun Valley Water & Sewer District File
From: Jim Bitzenburg
Re: Evaluation of Sufficiency of Information Submitted

Application for transfer proposes to combine all of the eleven existing wells that serve the Sun Valley Water & Sewer District municipal water supply system by listing the wells as points of diversion (POD) on the District's seven municipal water rights which have a combined flow rate of 18.70 cfs. In addition, a new well will be drilled at a point approximately 0.3 mile southwest of the intersection of Saddle Road and Sun Valley Road in Sun Valley, and it will also be listed as a POD on all seven rights (12 wells total).

Because the transfer involved changing and adding PODs, it was advertised and public comment was sought. No protests were received. The transfer is located within WD-37 and Watermaster comments were solicited. The Watermaster did not comment on the transfer.

- **Authority to File:**
The Department's database indicates that water rights 37-2722, 37-7102, 37-21151, 37-21465, 37-22444, 37-22445, and 37-22447 are owned by the applicant, Sun Valley Water & Sewer District. The application was signed by Pat McMahon, the general manager of the Sun Valley Water & Sewer District. He was granted authorization to sign by the Board of Directors of the Sun Valley Water & Sewer District in a written document included with the transfer application.
- **Water Right Validity:**
Rights 37-2722, 37-7102, 37-22444, 37-22445, and 37-22447 were decreed in the SRBA in 2010, while right 37-21151 was licensed in 2012 and right 37-21465 was licensed in 2019. Recent water usage data is recorded in the Water Management Information System (WMIS) for SVW&SD, so forfeiture is not likely an issue.
- **Injury to Other Water Rights:**
None anticipated or foreseen. The addition of another POD to the SVW&SD system will not come with an increase in diversion rate.
- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No issues anticipated. The transfer was advertised and public comment was sought. No protests were received.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on the Economy of the Local Area:**
None Anticipated
- **Effect of the Agricultural Base of the Area:**
None Anticipated

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.

MAY 28, 2020**

On Wednesday, July 8, 2020, the Blaine County Board of County Commissioners ("Board") will hold a public meeting upstairs in the Old County Courthouse located at 206 First Ave. So., in Hailey. Items on the agenda include the following:

**9:30 A.M. ACTION ITEM:
CONTINUED LEES GULCH
ROAD VALIDATION HEARING:**

Pursuant to Idaho Code Section 40-203A, the Board of Blaine County Commissioners will continue a public hearing to consider the validation of a portion of Lees Gulch Road west of Bellevue from the intersection with Townsend Gulch Road to the western edge of Lot 2, Lees Gulch Subdivision in Government Lots 2 and 3 of Section 2, Township 1N, Range 18E, B.M. In other words, the validation proceeding will address only the portion of Lees Gulch Road crossing private property, not the portion on BLM land.

Materials relevant to this validation proceeding will be available for inspection at the Commissioners' Office in the Blaine County Courthouse and at the Land Use Office in the Annex Building Monday thru Thursday between 8 a.m. and 6 p.m. These materials include any materials submitted since the January 14th hearing and will include a second supplement prepared at the direction of the Board by Stevens Historical Research Associates. To the extent possible, these materials also will be posted to the County's website and made available at the following link: <https://www.co.blaine.id.us/199/County-Commissioner-Hearing-Application>.

Consistent with the time frame established at the January 14th hearing, the deadline for additional, written public comments and documentary evidence has passed. Verbal comments, limited to three minutes, may be made at this July 8th hearing.

At the conclusion of the hearing, the Board may deliberate and vote on the proposed validation or take the matter under advisement. Upon making a final decision, a written decision and order will be drafted and approved at a later date. Except by order of the Board, no additional evidence will be accepted after the close of the hearing.

This meeting is open to the public but attendees are STRONGLY ENCOURAGED to attend by web access rather than in person. The meeting agenda will be posted to the Blaine County website at <https://www.co.blaine.id.us/AgendaCenter> later than the Thursday prior to the hearing. Please check the meeting agenda for further instructions for digital web access.
