ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that I have examined Application for Permit to appropriate the public waters of the State _ , and said application is hereby _____APPROVED 72-7288 of Idaho No.

1. Approval of said application is subject to the following limitations and conditions:

- a. SUBJECT TO ALL PRIOR WATER RIGHTS.
- b. Proof of construction of works and application of water to beneficial use shall be submitted on or be-

October 1 , 19 88 fore _

- c. The rate of diversion, if water is to be used for irrigation under this permit, when combined with all other water rights for the same land shall not exceed 0.02 cubic feet per second for each acre of land.
- ner: Permit holder shall commence the excavation or construction of diverting works within one year of the date this permit is issued and shall d. Other: proceed diligently until the project is complete.

The issuance of this permit in no way grants any right-of-way or easement across the land of another.

the

Witness my hand this

20 day of October, 1983. Chief, Operations Bureau
