Re: Permit No. 45-7580 Declo Land Co. - Permitee

Dear Mr. Funderburg:

Permit No. 45-7580 was obtained by Declo Land Co. to cover water spread lands under License No. 45-7336. It would therefore be appropriate to reduce the quantity of water to be appropriated under Permit 45-7580 to 2.44 cfs. We would therefore request that the Application for Permit be amended, reducing the quantity of water to be appropriated under the permit to 2.44 cfs. and that the permit, as amended, be allowed. If you have any further questions in regard to this matter, please feel free to contact this office.

Very truly yours,

Attorney for Declo Land Co.
