Hello,

Please see attached acknowledgement of protest against application 84102 in the name of Dan Sharp.

Because of similarities between the applications and parties involved, the department will schedule the prehearing conference for application 84102 to run jointly with a status conference for application 83930 in the name of E&M Trust.

Please respond within 14 days from the date of this email with any days during which you would be unavailable to attend these conferences during the months of July, August, and September. If responses are not received within 14 days the department will be unable to take your scheduling needs into consideration.

Thank You,

Christina Henman
