Re: Application for Permit No. 45-7515

Max M. &/or Darlene B. Johnson Box 174 Albion, ID 83311

Dear Mr. and Mrs. Johnson:

We are in receipt of the withdrawal of the application for water right permit that you submitted on December 28, 1982. This application will now be considered null and void and removed from the Department's records.

Since there was never any action taken on this application, you will be receiving a \$45.00 refund from the State Auditor's Office under separate cover.

Please feel free to contact our office or our Southern Regional Office in Twin Falls if you have any questions in regard to this matter.

Sincerely,

KAY WALKER Technical Records Specialist

ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that I have examined Application for Permit to appropriate the public waters of the State

of Idaho No. _______, and said application is hereby ______.

1. Approval of said application is subject to the following limitations and conditions:

a. SUBJECT TO ALL PRIOR WATER RIGHTS.

b. Proof of construction of works and application of water to beneficial use shall be submitted on or be-

fore _____, 19 ____.

c. The rate of diversion, if water is to be used for irrigation under this permit, when combined with all other water rights for the same land, shall not exceed 0.02 cubic feet per second for each acre of land.

d. Other:
