OF THE

STATE OF IDAHO

JUN 20 1973

IN THE MATTER OF DENYING APPLICATION) FOR PERMIT NO. 37-7120 in the name of) ROBERT D. GRAHAM) Department of Water Administration Southern District Office ORDER

WHEREAS, on December 7, 1971, Glenns Ferry Industrial Development Corporation filed with the Department of Water Administration an application for permit to appropriate 40 cubic feet per second of water from Bancroft Springs, tributary to the Snake River, from a point within the $SW_4^1NE_4^1$, of Sec. 4, Twp. 6S, Rge. 11E, B.M., Elmore County, to be used for fish propagation purposes; and,

WHEREAS, on December 20, 1971, the Department requested the applicant to submit additional information within 30 days in connection with said application; and,

WHEREAS, on January 18, 1972, the Department extended the time for submission of the required information to April 30, 1972; and,

WHEREAS, on November 28, 1972, the Department received an assignment whereby Glenns Ferry Industrial Development Corporation assigned all their right, title, and interest in and to said Application for Permit No. 37-7120 to Robert D. Graham; and,

WHEREAS, on January 12, 1973, the Department advised Mr. Graham that additional information was required to complete the application; and,

WHEREAS, on May 18, 1973, the applicant was notified by certified mail that Application for Permit No. 37-7120 would be voided unless he could show cause on or before June 1, 1973; and,

WHEREAS, the applicant has failed to respond and said application is incomplete as filed;

IT IS, THEREFORE, ORDERED and Application for Permit No. 37-7120 is hereby voided pursuant to Section 42-204 of the Idaho Code.

Dated this <u>//</u> day of June, 1973.

Re: Application for Permit No. 37-7120

Mr. Robert D. Graham King Hill, Idaho 83633

Dear Mr. Graham:

On November 28, 1972, the Department received an assignment conveying the above referenced application for permit to you. On January 12, 1973, we advised you by letter that additional information was needed to further consider this application.

To this date, we have not received the required information to complete this filing, therefore, you are hereby ordered to show cause on or before June 1, 1973 why Application for Permit No. 37-7120 should not be voided pursuant to Section 42-204 of the Idaho Code.
