RE: Claim No. 43-4135

Dear Claimants

The Derartment of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244. IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filins and advertisins of the claim does not confirm the water risht claimed but will serve to record and preserve the information and the evidence which you included in your claim.

If at a later date, you find that you have additional information or surporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosins a cory of your claim for your records. If you have suestions, or if this office may be of further assistance, rlease feel free to contact us.

Yours truly

ALLEN D. MERRITT

Senior Water Resource Analyst

Enclosure

last pond.

STATE OF IDAHO DEPARTMENT OF WATER RESOURCES

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.
