Who owns the property at the point of diversion Applicant b. Who owns the land to be irrigated or place of use Applicant c. If the property is owned by a person other than the applicant, describe the arrangement enabling the applicant to make this filing 10. Remarks Under this filing, 2.08 cfs is appurtenant to the SW% Sec. 8; when combined Permit 37-7680, 1"/acre will be appurtenant to this land. The remainder of this filing, 3.92 cfs, is appurtenant to the SEZ & the NWZNEZ Sec. 8. Also, the stock listed under this filing are the same as those under 37-7680; they are included here so that they can be watered at the wells proposed under this new filing. I do not propose to divert any more than the standard amount of stockwater at any one time. acon in h

## b. If water is for irrigation, indicate acreage in each subdivision in the tabulation below:

11. Map of proposed project: show clearly the proposed point of diversion, place of use, section number, township and range number.

#### ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that I have examined Application for Permit to appropriate the public waters of the State of Idaho No. <u>37-7859</u>, and said application is hereby <u>approved</u>.

- 1. Approval of said application is subject to the following limitations and conditions:
  - a. SUBJECT TO ALL PRIOR WATER RIGHTS.
  - b. Proof of construction of works and application of water to beneficial use shall be submitted on or be-

fore \_\_\_\_\_\_, 19 \_\_\_\_\_, 19 \_\_\_\_\_,

- c. The rate of diversion, if water is to be used for irrigation under this permit, when combined with all other water rights for the same land shall not exceed 0.02 cubic feet per second for each acre of land.
- d. Other: <u>An access port or other device as specified by the Department shall be</u> installed by the permit holder to provide for the installation of measuring equipment and the determination of the rate of diversion by the Department.

Witness my hand this \_\_\_\_\_ day of

December , 19 80.

hief, Operations
