Recommended for approval denial by XX 5.5.
This is to certify that I have examined Application for Permit to appropriate the public waters of the State of Idaho No. 37-7784 , and said application is hereby APPROVED .
1. Approval of said application is subject to the following limitations and conditions:
a. SUBJECT TO ALL PRIOR WATER RIGHTS.
b. Proof of construction of works and application of water to beneficial use shall be submitted on or be-
fore August 1 , 19 84 .
c. The rate of diversion, if water is to be used for irrigation under this permit, when combined with all other water rights for the same land shall not exceed 0.02 cubic feet per second for each acre of land.
d. Other: An access port or other device as specified by the Department shall
be installed by the permit holder to provide for the installation of mea-
suring equipment and the determination of the rate of diversion by the
Department.
