| ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES This is to certify that I have examined Application for Permit to appropriate the public waters of the State |
| of Idaho No. 47-7557 , and said application is hereby <u>approved</u> . |
| 1. Approval of said application is subject to the following limitations and conditions: |
| a. SUBJECT TO ALL PRIOR WATER RIGHTS. |
| b. Proof of construction of works and application of water to beneficial use shall be submitted on or be- |
| fore <u>October 1</u> , 19 <u>84</u> . |
| c. The rate of diversion, if water is to be used for irrigation under this permit, when combined with all other water rights for the same land shall not exceed 0.02 cubic feet per second for each acre of land. |
| d. Other: (1) The issuance of this permit in no way grants any right-of-way or |
| easement across the land of another. (2) A measuring device of a type approve |
| by the Department shall be permanently installed and maintained as part of the |
| diverting works. |
| Witness my hand this 10 day of <u>October</u> , 19 79 . |
| Witness my hand this |
