65-22594 (Split into 65-22594 and **65-23922**)

Dear Water Right Holder(s):

The Department of Water Resources (Western) acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records based on the information received and has enclosed a computer-generated report for you.

Water right nos. **65-22537** and **65-22592** have been changed to your ownership in their entirety. Water right nos. 65-22544 and 65-22594 have been split, and the portion nos. **65-23921** and **65-23922** have been assigned to your ownership.

Your portion of each water right has a specified point of diversion, nature of use and place of use. If you plan to change the authorized point of diversion, nature of use, or place of use, including adding a new point of diversion, you must file an Application for Transfer of Water Right. If you do not plan to change any elements of your water right, then no further action is required at this time.

The portion of the water right retained by the original right holder retains the original water right number. The Department is sending the original right holder a copy of this letter and a computer-generated report showing the changes to the original water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact our office at (208) 334-2190.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lynne Evans".
