Re: Assignment of Permit to Change Ownership of Permit No. 63-33849

Original: Permit No. 63-33849

Split into: Water Right No. 63-34895

Dear Water Right Holders:

We have received and processed an Assignment of Permit for a portion of the original Water Right as referenced above. This Assignment of Permit required a split of the original water permit.

When a portion of the original water permit has been conveyed to another, a new water permit number is created to represent the portion obtained by the new owners. For your records proof reports for **63-33849 & 63-34895** and maps depicting the place of use (POU) and the point of diversion (POD) are enclosed. Please refer to your new water permit numbers when corresponding with our office.

If you have any questions concerning the enclosed information, please do not hesitate to contact this office at 208-334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anna Kaiser'.
