RE: Application for Permit 21-13203

Dear Parties:

Last week a letter was sent requesting unavailability dates for permit number 1-7028. The referred permit number was a misprint; please disregard. The correct permit is **21-13203** in the names of Jefferson Clark Groundwater District and Recharge Development Corporation.

Please respond to this letter with any dates during which you will be UNAVAILABLE during the months of April, May, and June no later than 3/27/2020. If you have already responded to the previous letter, your unavailable dates will be applied to the correct case. My email and telephone information is below, or you can send a response via postal mail.

Sincerely,

A handwritten signature in black ink, appearing to be 'CA H' with a flourish.
