Gentlemen:

Your Twin Falls office has informed us taht the above-referenced water permit has not been developed. Although cattle do use Ledge Rock Spring, there is no man-made development at the site.

We could, therefore, cancel this permit, but would prefer that you relinquish it. Please sign the enclosed relinquishment form and return it to this office.

If you have questions, please feel free to contact this office.

Very truly yours,

James E. Stanton Sr. Water Resource Agent
