BE IT KNOWN that the undersigned hereby makes application for permit to appropriate the public waters of the State of Idaho as herein set forth.

ina le Parta

Proposed Priority 9/7/77

Received by W Date 8-19-77 Time 9 pm Preliminary check by ADM Fee \$ 35 92 Receipted by gd Date 9-7-77 #8745 Publication preparent by Am Date 9/12/72 Published in South of helo t Publication dates 9/20 + 1/27/77 Publication approved Of Date 10/17/77 Priority reduced to \_\_\_\_\_ Reason Protests filed by: \_\_\_ Copies of protests forwarded by\_ Hearing held by\_\_\_ Date Recommended for (approval) denial

## ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that I have examined Application for Permit to appropriate the public waters of the State of Idaho No. <u>45-7324</u>, and said application is hereby <u>APPROVED</u>.

- 1. Approval of said application is subject to the following limitations and conditions:
  - a. SUBJECT TO ALL PRIOR WATER RIGHTS.
  - b. Proof of construction of works and application of water to beneficial use shall be submitted on or before <u>November 1</u>, 19.82.
- c. Other: For licensing purposes a scientific measurement of the diversion rate of the system as it is normally operated shall be provided by either properly installing an approved type of meausring device or by having a professional engineer certify the rate of diversion to the Department prior to submitting proof of beneficial use of water. (2) The rate of diversion of water for irrigation under this permit and all other water rights on the same land shall not exceed 0.02 cubic feet per second for each acre of land.

Witness my hand this <u>30</u> day of <u>November</u> 1977.

Deputy Director
