MEMORANDUM

To: Water Right Permit 94-9643

From: Luke Bates 

Date: 5/29/2020

Re: Permit for Licensing to Appropriate Water within the State of Idaho.

An application for permit for irrigation use in the name of Rhonda Sand was received on 5/21/2020. The applicant, Rhonda Sand, had several questions lacking adequate information to be a complete application for data entry. On the application submitted on 5/21/2020, Rhonda Sand had selected POD location of 49N01W33SENE. Email correspondence with applicant was used to correct deficiencies and an updated application was received on 5/28/2020.

On the updated application dated 5/28/2020, applicant identified POD location as 49N01_33SENE, with typo leaving out the cardinal direction 'W' previously used on the original application submitted 5/21/2020. Applicant's map identifies POD location in 49N01W33SENE. Rhonda Sand was contacted by phone on 5/29/2020, and it was verified that the Rge for POD is indeed 01W. Application was processed with the corrected Rge 01W.
