RE: Application for Permit No. 96-9809

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 6/18/2020 and 6/25/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman

Subject: Encroachment Permit L96-S-1574B

Shaun, Justin at Idaho Department of lands was not in but a gal in that office said this is the encroachment number you needed.

In regards to lawn to be watered, I need to clarify. Total acreage that I own is slightly in excess of 3 acres. Between roads, non grass areas and building sites, I estimate slightly in excess of 2 acres that I could water. Less than that is currently in lawn but the need to occasionally water trees areas will occur which is why I would like the permit to be for 2-2.5 acres.

Thanks so much for your help. If you need anything else, do not hesitate to call!

Also can you confirm you received this email?

Regards,

Jim D Allen
