RE: Change in Ownership Water Right No. 34-621D and 34-7201A

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Split Fee:** The current owners of the water right is Jim Scouton, according to the evidence of ownership received with your application you purchased the properties from Dale and Debra Waddoups. However the department will require a copy of the deeds going from Jim Scouton to Dale and Debra Waddoups. Please provide copies of those deeds. Also during our review the department found that a split is required for this ownership change. Please review the map attached if you agree that a split is required please provide the additional filing fee of \$150.00. If you do not believe a split is required please supply evidence of ownership of the entire place of use of the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
