*Re: 2020 Irrigated Acres on North Slope Property*

Dear Blake:

As you are aware, the conditions of Water Right Nos. 25-57A, 25-57B, 25-59, 25-136B, 25-137B, 25-7494C, 25-7567, and 25-7592 require Foster Land & Cattle to notify the Department when they make any changes to the acres that they intend to irrigate with these water rights. These water rights allow for the irrigation of 2,457.1 acres. Attached is a map showing the acres that will be irrigated in 2020. The shapefile of these acres is also included.

If you have any questions, do not hesitate to contact me.

Best Regards,

Blake,

Attached is the shapefile for the acres that Foster Land and Cattle will irrigate on their North Slope property this year. I've also attached a letter for your files and a map. Let me know if you have any problems with the shapefile or if you need anything else.

Thanks.
